

What it means to be a member . . .

*Your membership makes you part of a large support network, assisting others and their families every day who are injured, disabled, suffering from personal or terminal illness or killed in the line of duty.

*You become eligible for the provision and assistance of services in the areas of financial assistance (up to \$750 per month), legal review and assistance, counseling services, benefit review and recovery, funeral stipends, college stipends and coverage for other areas of hardship.

*Assistance with members' personal illness and health care matters including illness and health care of a spouse and children.

*A \$25,000 Death Benefit is provided for both on duty and off duty death

*Analysis of the members work and personal benefit coverages will be provided upon request at no cost to protect both the member and their family against insufficient coverage for life events.

Additional Benefits available to members . . .

*A custom Will & Living Trust including pour over will and more will be available at the modest price of \$450.00.

For only 33 cents per pay protect you and your family during times of hardship with a \$25,000 Death Benefit in addition to the other services provided by the Thin Blue Line of Michigan. In addition have the satisfaction of knowing that you are assisting other members and their families during times of duress.
